***Thank you to everyone who participated in the World Hickory Open 2022.***

***To organise and coordinate the event in the spirit Lionel Freedman had intended and to ensure the competitors enjoy and experience golf as it began. In Lionel's own words;***

***"Can I put all that in a single word? I'm not sure. But I'll try.***
***If pushed, I'd say the word is FUN. The hickory game is FUN. Go out there and enjoy it"***

***In memory of Lionel Freedman passed away on January 10th, 2017.***

***Lionel, the Heart of Hickory.***
