Thank you to everyone who participated in the World Hickory Open 2022.

To organise and coordinate the event in the spirit Lionel Freedman had intended and to ensure the competitors enjoy and experience golf as it began. In Lionel's own words;

*"Can I put all that in a single word? I'm not sure. But I'll try.
If pushed, I'd say the word is FUN. The hickory game is FUN. Go out there and enjoy it"*

In memory of Lionel Freedman passed away on January 10th, 2017.

Lionel, the Heart of Hickory.
